<b>VINEYARD OPERATIONS</b>		
<b>Property Maintenance</b>	<ul style="list-style-type: none"> <li>Broken strainers have been replaced and rewired.</li> <li>Piles of cut of cordons have been burned.</li> </ul>	
<b>VITICULTURAL COMMENTS</b>		
<p>Bud burst is imminent.</p> <p>We have made contact with Mr Ian Hanna who owns the northern neighbouring property, who's sheep continually get through the fence into the vineyard, we have requested he maintain the boundary fence to better contain his animals. As they could have a negative impact on young vine shoots.</p> <p>As you are aware there are an excessive number of Kangaroos present on the property due to the proximity of Pine Forrest adjacent to the west, we have made an application to Department of Wildlife for a destruction of wildlife permit in order to cull keeping numbers in balance. We will engage the services of a professional shooter to carry out this work, to ensure targeted and humane destruction of appropriate species.</p>
